State Health Plan Prevention Partners

June/July 2002

Dear Prevention Partners Coordinator:

Thank You

We at Prevention Partners would like to thank the Office of the Executive Director for their incredible support of our Preventive Worksite Screening Program. Not only has our Executive Director, Frank Fusco, and his staff helped us with spreading the word about this great benefit of the State Health Plan, but Frank and much of his staff also participate in our screenings.

Enclosed in this mail-out is a great flier entitled "Is \$15 Too Much to Spend for Your Health?" created by Mike Sponhour, Communications Director for the Office of the Executive Director. We want to encourage you to put this flier up on bulletin boards or anywhere else that would be visible to state employees so everyone can see the many components included in our screening.

Again, thank you to the Office of the Executive Director. Your example and support is a big reason why the number of state employees being screened is increasing. For more information on Prevention Partners Preventive Worksite Screenings, please call us at (803) 737-3820 or log onto www.eip.state.sc.us and click on the Prevention Partners logo.

Chronic Disease Workshops

We have one chronic disease workshop coming up in the near future. These workshops are open to all employees, their dependents and retirees. The workshop currently scheduled is as follows:

- Diabetes June 19, 2002 Florence 12:00 p.m. - 4:00 p.m.

Registration forms for any of our chronic disease workshops can be obtained from our website, www.eip.state.sc.us. For more information, contact Ramsey Makhuli at (803) 737-3823.

Preventive Worksite Regional Screenings
